

JULIE MAE A. BAGNOTAN

Davao City, Philippines | juliebagnotan@gmail.com | juliebgntn.website

SUMMARY

Bachelor of Science in Information Technology major in Business Technology Management graduate with 6 months of hands-on internship experience in UI design, data entry, technical documentation, and information management, complemented by 3 years of graphic design work experience. Skilled in maintaining records, organizing information, using computer applications, and handling multiple tasks with attention to detail. Seeking an Entry-level or Graphic Design position where I can apply my creative, technical, organizational, and communication skills to contribute to the company's objectives.

WORK EXPERIENCE

Nutrishop

March, 2026 - March, 2026

Graphic Designer - Project-Based

- Created television advertisement posters using Canva to promote health and fitness products, including protein powders and nutritional supplements.
- Highlighted supplementary services offered, such as body composition analysis, customized meal plans, and professional nutritional guidance.

University of Southeastern Philippines

June, 2025 - December, 2025

User Interface Designer & Technical Writer Intern

- Designed user interfaces and prototypes with Figma, prioritizing usability and an intuitive navigation experience.
- Created technical documentation, including user manuals and guides, to facilitate user understanding and effective software utilization, while also performing data entry tasks.

Dwell Real Estate Group

September, 2023 - September, 2024

Graphic Designer - Part-Time

- Designed a range of marketing collateral, including real estate flyers, newsletters, social media content, and posters, to effectively promote properties and enhance business outreach.
- Leveraged Canva to create designs that captured attention and clearly conveyed essential information, contributing to client acquisition and business expansion.

Wishy Wash Laundry

June, 2023 - February, 2024

Graphic Designer - Part-Time

- Designed diverse promotional materials, including flyers, newsletters, social media graphics, posters, and business cards, utilizing Canva to elevate business visibility and foster audience interaction.
- Managed online product listings across various platforms, such as Craigslist and Facebook Marketplace, to broaden market reach.

PrintAVizion

March, 2023 - January, 2024

Graphic Designer - Project-Based

- Designed engaging social media posts using Canva, and produced promotional video reels with CapCut to amplify audience engagement and effectively market products and services.
